

**Harrisburg Park Revitalization Streetscape Enhancement RFP Addendum 1**

1. Is the project funded through the TIA or TAP programs? **no**
2. Will the project be subject to GDOT Plan review? **no**
3. Will plans be prepared using the GDOT PDP Process? We note that the process is mentioned in the RFP. **no**
4. Understand that the CE is being prepared under a separate contract. Can we get a copy of the Environmental Documents? **As soon as it is done.**
5. If the CE and Environmental Documents are being prepared under a separate contract is it still necessary to include that experience in the RFP response? **yes**
6. Can you confirm that the CE will satisfy all NEPA requirements? **yes**
7. In the Opinion of Probable Cost there is a Community Center Bldg. In reviewing the concept plan there appears to be a pavilion planned as part of the project. Are these one in the same? **Not a pavilion. Just a simple open concept building. Maybe a metal building.**

**Please disregard Section D from page 10.**

**Do not check the auditing box in the certification.**

**Price should be included in same envelope.**
