Spay and Neuter Requirement Added to Animal Control Ordinance

On April 15th, the Board of Commissioners adopted an amendment to the Animal Control Ordinance. This amendment adds a requirement for pet owners to spay and neuter their pets to prevent unwanted pregnancies.

On Wednesday, April 23rd, the Department of Agriculture inspected the shelter. They noted that the county shelter was in compliance and said that the employees were doing a great job. Coming into compliance with the Department of Agriculture was achieved thanks to the efforts of Animal Control Services Manager Tracy White and

Adoption and Rescue and Animal Control Administrative Coordinator Brianna Marshburn, pictured above. You may have noticed also fewer strays on the streets because of their hard work and diligence. We want to remind the public that Baldwin County cannot create “demand” to adopt the precious dogs and cats that need forever homes. Visit the Baldwin County Animal Control & Services’ [Facebook page](#) for up-to-date postings for dogs and cats that can be adopted. We need the community’s help in finding forever homes for these animals.

Oconee Heights Park Nearing Opening Day

The Oconee Heights Park is close to completion!

The painted mural crosswalks are complete and add color and beauty to the area. Fencing and gates remain to be installed prior to opening of the Oconee Heights Minipark. We look forward to seeing how this park benefits the community.

Pickleball Courts Close to Completion

The pickleball courts are making great progress! The courts will need to cure for 30 days before the contractor can stripe the courts. Fencing and gates will be installed during that time. Lights have passed inspection and sidewalks have been installed as well.
