Fire Station 6 Now Staffed 24 Hours a Day

Baldwin County Fire Rescue hosted a ribbon cutting event on May 19th to kick off the start of expanded emergency services at Fire Station 6, 24 hours a day, seven days a week. Now that Station 6 is staffed around the clock, all seven county fire stations have someone in them 24 hours a day, every day to answer the call. The volunteers will still respond to assist with the various calls, however the fire truck will be headed to the call sooner than before.

“As residents of District 5 reached out with their concerns about Station 6 being unmanned, I shared them with Chief Adams of Baldwin County Fire and Rescue. I credit and thank Chief Adams and our County Manager Carlos Tobar for working tirelessly to make this happen. It is my hope that the citizens in this area of Baldwin County feel a stronger sense of comfort that Chief Adams and his team of firefighters will be at their service in a time of need,” commented District 5 Commissioner Scott Little.

“Expanding Emergency services to Baldwin County residents is a top priority. Commissioner Little has shown great leadership in advocating for the 5th district on this issue. Carlos Tobar, Chief Adams, and their team worked hard to ensure this was done in short order. Results matter, and the Board of Commissioners remains committed to ensuring our residents see progress in Baldwin County,” shared Chairman Strickland.

Rain Causes Water Park Construction Delays

Rain has caused significant delays in building the water park. Work has resumed, albeit slowly.

The splash pad portion of the park is being constructed. The water filtration system is still being assembled as well, and the water slide has not arrived yet. The water park is likely to open in 2026.

Habitat for Humanity to Host Community Yard Sale

County, Georgia

**Habitat
for Humanity**

**SATURDAY
JUNE 7
9 AM - 2 PM**

Habitat for Humanity Milledgeville-Baldwin County is hosting their first-ever Community Yard Sale! The yard sale will be held on Friday, June 7th at the Exchange Bank Parking lot, 250 W. Hancock Street from 9:00am to 2:00pm. Come shop for hidden treasures, household goods, clothing, furniture, and more — all while supporting a great cause.

All proceeds benefit Habitat for Humanity Milledgeville-Baldwin County and help them to continue building safe, affordable homes in our community. Interested in being a vendor? 10x10 spaces start at just \$10! It's the perfect way to clean out your closets, sell some items, and give back. To apply to be a vendor, [fill out the Google Form here](#).

Animal Adoptions in Baldwin County

It is always a joyful day at the Baldwin County Animal Shelter when a dog or cat is adopted! Brandie Hegler, Baldwin County GIS Analyst, recently adopted Penny from the Baldwin County Animal Shelter. Pictured to the left is Brandie's daughter, Charlee Rose Child, with their new furry family member.

To learn more about the animals up for adoption in Baldwin County, please click [this link](#).

Pickleball Courts Set to Open in June

After months of rain delays, the pickleball courts are set to open in June. The 20 outdoor courts will be lit.

Because of a supply chain issue, the modular restroom will be installed a few weeks after the courts open. Players are encouraged to use other restroom facilities throughout Walter B. Williams Park.

A ribbon cutting ceremony will be scheduled after the courts are painted and nets installed. Please stay tuned for more information on the ceremony.

County Road Work to Begin In June

Right-of-way mowing, base work and paving are scheduled to start throughout the county in June. We ask that you exercise caution as you drive around the county.

Expect delays and slow traffic in some areas. The county will notify the public on the county website and on Facebook once the contractor alerts us of what roads will be worked on.
