**FY 2017 General Fund Expenditures**

## General Fund Overview

**General Fund**—Accounts for all financial resources except those required to be accounted for in another fund.

**General Fund Revenue** - Total General Fund Operating Revenue is projected to be \$22.2 million in FY17, approximately \$2.39 million more than estimated in FY16.

**1. Total General Fund Property Taxes** are projected to be \$10.36 million, approximately \$1 million more than currently projected for FY16. The budget estimate for property taxes is based on the current digest and millage rate of 10.6 mills (a  $\frac{3}{4}$  mill increase).

a. The property tax revenue estimates included in this Budget are based on a collection rate of 95%, the same rate as previous years.

b. Property tax revenues from motor vehicles will continue to decline because of the Title Ad Valorem Tax (TAVT) and the state reduction in the percentage share to local governments in January 2016. In FY17, property tax revenues from motor vehicle ad valorem tax are estimated at \$330,000, about \$70,000 less than FY16. Revenues from the TAVT are estimated to also decline \$50,000 from \$800,000 in FY16 to \$750,000 in FY17.

**NOTE:** ACCG will introduce legislation in the 2017 Session to remove the revenue cap placed on local governments. If passed, revenue collections will be higher than estimated.

### 2. Local Option Sales Taxes

a. An estimate of \$3.8 million is included for FY17, the same as FY16. Although overall sales tax revenue is increasing slightly, the elimination of fuel tax by the State's transportation initiative and energy tax exemption negates any positive economic impacts.

**NOTE:** Implementation of an energy excise tax would increase LOST revenue by approximately \$30,000 a year and SPLOST revenue \$50,000 a year.

### 3. Insurance Premium Tax

a. Revenue from Insurance Premium tax is estimated to be \$1.47 million, a slight increase from FY 16.

### 4. Other Taxes

a. Other Taxes are projected to be \$957,500 in FY17, an increase of \$15,500 compared to the FY16 Budget.

a. Included in the FY17 estimate for Other Taxes is a change to the rates for an Occupation Tax Certificate, or Business License. With these rate changes - which have not increased since they were implemented in the early 1990s – an additional \$12,000 in annual revenue is estimated from the 590 businesses in Baldwin County.

b. Television Cable Franchise fee collections are estimated to slightly increase to \$170,000.

c. Based on the current year's collections, the Financial Institutions Tax is projected to be \$60,000 in FY17.

d. The Real Estate Transfer Tax is projected to be \$35,000 in FY17, an increase of \$5,000 over the FY16 estimate.

e. Intangible Recording Taxes are estimated remain the same at \$125,000 in FY17 based on year to date collections.

f. Excise Taxes on beer, wine, and liquor are estimated at \$290,000, the same as FY16.

**5. Licenses and Permits -**

a. Included in the FY17 Budget is an increase of the annual Alcohol License fees, generating an additional \$10,000 annually.

b. Also included is an increase in permit fees and rate structure. With these rate changes total revenue from Licenses & Permits is estimated to increase from 75,000 to \$100,000 in FY17.

**6. Intergovernmental Revenues -** Total Intergovernmental Revenue is projected to be \$1.5 million in FY17. A grant from the Department of Homeland Security will fund 3 new firefighter positions for 2 years. FY17 LMIG grant is included this year at \$462,000. Funding for Drug Court is included at \$150,000. All other Intergovernmental Revenues are anticipated to remain at the same level in FY17.

**7. Charges for Services –** This budget reflects an increase of \$196,000 in Charges for Services revenue to an estimate of \$2.44 million in FY17.

a. Court fees are expected to be the same in FY 17, but continue to be down about 20% from FY11.

b. Based on the current cost allocation plan, total overhead charges for services provided by the General Fund to Enterprise Funds will be \$205,000.

c. This budget includes revenue of \$530,000 to continue an agreement with the State of Ga. to provide fire services to Central State Hospital.

d. Sheriff's Fees in the FY17 budget reflect the revenue collected under Georgia law and added revenue collected for housing inmates that have not been transferred to the State Correctional System. The estimate for Sheriff's Fees in FY17 is \$130,000.

e. Revenue from collection of taxes on behalf of other governmental entities by the Tax Commissioner's Office is estimated to remain the same at \$490,000 in FY17,

f. Based on the current level of fees, Leisure Services programs are estimated to generate revenue of \$447,500 in FY17. Revenue from Little Fishing Creek is expected to rise about 6% while revenue from the Recreation Department is expected to remain the same.

**8. Fines & Forfeitures -** Total revenues from fines are estimated to be \$593,000 in FY17, down \$62,000 the FY16 Budget.

**9. Other Financing Sources –** The budget includes \$85,100 revenue from other financing sources which includes Building rental of \$75,000.

## **Special Revenue Funds**

**Special revenue funds**—Account for the proceeds of specific revenue sources that are restricted or committed to expenditure for specified purposes other than debt service or capital projects.

**Law library fund**—Accounts for county-operated law libraries.

**Confiscated assets fund**—Accounts for the cash received either from a cash confiscation or cash received from a sale of capital assets acquired from drug raids.

**County drug abuse treatment & education fund**—Special revenue fund to account for funds collected pursuant to (O.C.G.A. 15-21-100) and restricted expenditures pursuant to (O.C.G.A. 15-21-101 (b) 1 and 2). Additionally, activities of Drug Court Divisions certified by the Judicial Council of Georgia pursuant to (O.C.G.A. 15-1-15) shall be accounted for in this fund.

**Emergency 911 telephone fund**—Accounts for operations of E-911 centers. E-911 centers provide an open channel between citizens and public safety providers (i.e., police, fire, and medical responders) to efficiently, effectively, and appropriately respond to calls received for emergency services and non-emergency assistance/information.

**Special district fund(s)**—Accounts for each special taxing district in a separate fund. For example, a county government may provide services only in the unincorporated area of the county and tax only those properties located in the unincorporated area to pay for these services. These property taxes and the services they finance should be accounted for in a separate special district fund.

## **Enterprise Fund(s)**

**Enterprise funds (from GA Uniform Chart of Accounts)**— Enterprise funds may be used to report any activity for which a fee is charged to external users for goods or services. Activities are *required* to be reported as enterprise funds if any one of the following criteria is met. Governments should apply each of these criteria in the context of the activity's *principal revenue sources*.

- a) The activity is financed with debt that is secured solely by a pledge of the net revenues from fees and charges of the activity. Debt that is secured by a pledge of net revenues from fees and charges *and* the full faith and credit of a related primary government or component unit — even if that government is not expected to make any payments — is not payable solely from fees and charges of the activity. (Some debt may be secured, in part, by a portion of its own proceeds but should be considered as payable "solely" from the revenues of the activity.)
- b) Laws or regulations require that the activity's costs of providing services, including capital costs (such as depreciation or debt service), be recovered with fees and charges, rather than with taxes or similar revenues.
- c) The pricing policies of the activity establish fees and charges designed to recover its costs, including capital costs (such as depreciation or debt service).

### **Fund 505 - Water and Sewer Fund**

- Water and Sewer operating revenues for FY17 are estimated at \$4.3 million based on current water and sewer rates
- Budgeted revenues are sufficient to cover operating costs and debt service payments
- Baldwin County currently has 8,570 water customers and 1800 sewer customers. Average water usage is 4,800g. and the average bill is \$45.98

## Where Do Your County Property Taxes Go?

In an effort to inform Baldwin County taxpayers of where their property taxes go, the information provided shows how the millage rate is split into various government operations. The following chart shows the portion of your property taxes that goes to each taxing authority (schools and county government).

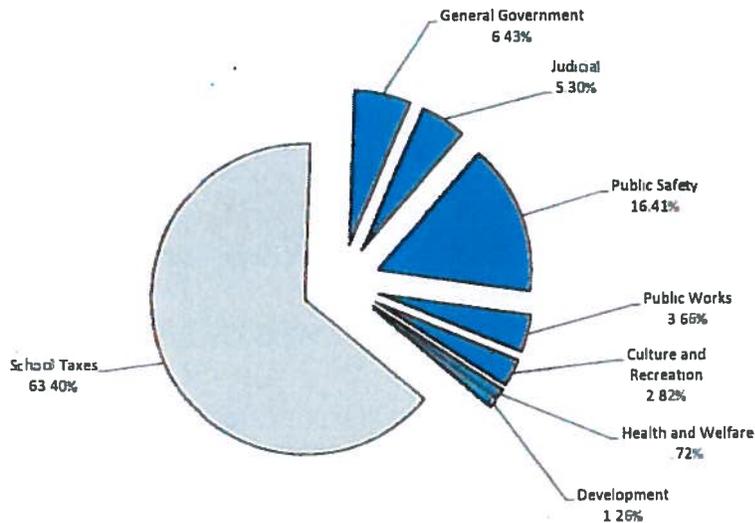

## County Government Taxes

Baldwin County Government receives 36.6% of the total property taxes paid - approx. \$9,664,000. The graph below shows the percentage of that property tax revenue that supports each county service.

The General Fund revenues are derived primarily from taxes. Property taxes account for 48%, local option sales tax account for 19%, insurance premium tax account for 7% and other taxes account for 8%, for a total of 82% of General Fund revenues. Other sources of revenue include fines and forfeitures, charges for services, intergovernmental revenue, and miscellaneous revenue.

Counties are mandated by state law to provide certain services to its citizens to include the Court System – State Court, Probate Court, Superior Court, Magistrate Court, Juvenile Court, Coroner, Superior Court Clerk, Sheriff, Jail, Health Services, Public Assistance and Family Services (DFACS), Emergency/Disaster Management, Property Tax Appraisal, Elections and Registration, and Tax Commissioner. These mandated services total approximately \$12,500,000. Other essential services provided by the County include Fire Protection, Street & Bridge Maintenance and Construction, Water/Sewer, Animal Control, Cooperative Extension, Libraries, Airports, Public Transportation, Building Inspections, Economic Development, Parks & Recreation and GIS Information Technology.

Dear Ms. Settle:

The 2016 County Ad Valorem Tax Digest, received by this Department as required by law, has been found to be in proper form and accompanied by all necessary documents, therefore, my Order authorizing the use of the Tax Digest for the collection of 2016 Ad Valorem taxes is enclosed.

On August 1, 2017, or within 30 days after the date the state auditor furnishes the ratios established pursuant to O.C.G.A. section 48-5-274(b)(8), whichever comes later, the overall average assessment ratio will be determined for your county. If this ratio deviates substantially from the proper assessment ratio, there shall be assessed against the county governing authority additional state tax in an amount equal to the difference between the amount the state's levy would have produced if the digest had been at the proper assessment ratio and the actual amount this digest produces for collection purposes.

Your Digest and Commission Voucher will soon be mailed to you by the Local Government Services Division.

Yours very truly,

Lynnette T. Riley  
Commissioner
