

WE'RE UPDATING OUR SYSTEM!

The Georgia Motor Vehicle Division is implementing a system upgrade, Georgia DRIVES, to update and enhance the vehicle registration and titling services. The new Georgia DRIVES system will go live on

Tuesday, May 28, 2019.

RENEW EARLY!

In preparation for the Georgia DRIVES system upgrade, there will be reduced hours and fewer services available. Georgia residents with May and June birthdays are encouraged to complete tag renewals and all vehicle registrations before May 20th to avoid delays. We appreciate your patience and cooperation as we transition to the new system.
