

**Baldwin County Board of Commissioners
Requests Feedback & Comments
For Baldwin County Regional Airport Trail
GDOT P.I. No. 0016631, Baldwin County**

In keeping with Governor Brian Kemp's directive to keep state government agencies functioning as Georgia combats the COVID-19 pandemic, the Baldwin County Board of Commissioners is moving forward by placing project information for review and feedback into an internet platform to comply with social distancing and avoiding crowds of 10+ people. We appreciate your participation in this process.

The Baldwin County Board of Commissioners is coordinating with the Georgia Department of Transportation and has posted information at www.dot.ga.gov/AboutGDOT/PublicOutreach related to the proposed Baldwin County Regional Airport Trail.

This project proposes to construct a 6 to 10-foot wide multi-use trail around the perimeter of the Baldwin County Regional Airport. The trail would connect with a proposed trailhead adjacent to the airport terminal building. The trailhead will contain parking and other amenities.

The purpose of this internet posting is to replace an in-person meeting, while allowing the public to review the proposed project, provide feedback, or write in with questions.

Americans with Disabilities Act (ADA) Information:
To request materials in accessible formats for people with disabilities contact Carlos Tobar at (478) 445-4791.

Comments will be accepted concerning this project until Saturday, September 5, 2020. Written statements may be submitted to:
