**INTERGOVERNMENTAL AGREEMENT FOR TRANSFER OF PROPERTY  
AND PAYMENT OF DEVELOPMENT AUTHORITY BONDS**

This Agreement (hereinafter the "Agreement") is entered into this \_\_\_\_\_ day of \_\_\_\_\_, 2020, by and between Baldwin County, Georgia (hereinafter the "County"), a political subdivision of the State of Georgia, The Mayor and Aldermen of the City of Milledgeville (hereinafter the "City"), a municipal corporation duly created and existing under the laws of the State of Georgia, and the Development Authority of the City of Milledgeville and Baldwin County (hereinafter the "Development Authority"), a public corporation created and existing under the laws of the State of Georgia. The County, the City, and the Development Authority shall be collectively referred to as the "Parties."

**WHEREAS**, the Development Authority is a public body corporate and politic and was created pursuant to the provisions of the Development Authorities Law, codified in O.C.G.A. Title 36, Chapter 62, (the "Act") which defines its powers and purposes, and was activated pursuant to the Act;

**WHEREAS**, the Authority has been created pursuant to the Act for the purpose of promoting trade, commerce, industry, and employment opportunities for the public good and general welfare and for the purpose of promoting the general welfare of the State of Georgia;

**WHEREAS**, the County has determined that the acquisition of two tracts of property totaling approximately 1,700 acres, located within the County, and more particularly described in the attached Exhibit "A" (hereinafter the "Property")(also known as the "Mega-Site"), would further the public purposes of the County, the City and Development Authority have concurred in said determination and agreed to assist the Authority with acquisition of the Property and costs thereof;

**WHEREAS**, payment of the Development Authority's outstanding Taxable Industrial Development Revenue Bonds (Industrial Land Project), Series 2016 Series A, B, & C issued to Exchange Bank, Magnolia State Bank, and Century Bank respectively, as the same was secured by an Intergovernmental Agreement between the City, County and Authority (the "2015 IGA"), and deeds to secure debt (hereinafter, collectively, the "Development Authority Bond") will be made in accordance with the provisions of this Agreement so that the provisions of the 2015 IGA may be terminated and the deeds to secure debt released;

**WHEREAS**, the City and the County are each authorized to levy taxes, and to expend tax moneys and other available funds;

**WHEREAS**, the City, the County, and the Development Authority have determined that it is in best interests of each of them to enter into this Agreement in furtherance of the purposes for which the Authority was created, and for the benefit of the City, the County, and their citizens.

**NOW, THEREFORE**, and based upon the preamble above as well as the exchange of good and adequate consideration, the receipt and exchange of which are acknowledged by the signatures below, do hereby agree to the following:

## **ARTICLE I – PURCHASE OF PROPERTY & BOND REDEMPTION**

The Development Authority shall transfer good and marketable title to the Property to the County through a Limited Warranty Deed. The description of the Property shall be subject to modification as a survey is prepared or a title search is conducted at the sole cost and discretion of the County, but completed before the closing. The closing of this transfer of the Property shall occur within sixty (60) days of the effective date of this Agreement unless extended by agreement of the City and the County. The Development Authority shall cure any title defects prior to the closing unless waived in writing by the County.

The County shall pay to the Development Authority and the Development Authority shall accept as the purchase price for the Property an amount of \$4,305,471.86; provided however, said purchase price may be increased or decreased if it is determined that such number does accurately reflect the redemption amount on the Development Authority's outstanding Taxable Industrial Development Revenue Bonds, Series 2016 Series A, B, & C issued to Exchange Bank, Magnolia State Bank, and Century Bank inclusive of principal and interest paid by the City as of January 31, 2020. Payment from the County shall be from separate bond proceeds issued by the County as a result of the 2018 SPLOST. Within twenty (20) days of the County's payment of said sum to the Development Authority, the Development Authority shall use the County's payment to fully repay and satisfy the Development Authority Bond and secure a full and complete release for the benefit of all Parties from the bondholders for any obligation or liability whatsoever associated in any way with the Development Authority Bond. Title shall be held in escrow until said Development Authority Bond is repaid. Within ten (10) days after closing, the Development Authority shall pay to the City \$883,034.33. Upon completion of the aforementioned obligations, the Parties by signing this Agreement forever release each other from any and all obligations or liability associated in any way with the issuance and repayment of the Development Authority Bond and the 2015 IGA and such release shall survive the closing. Upon such release, the 2015 IGA shall terminate.

## **ARTICLE II – OPERATION, MAINTENANCE & GOVERNANCE**

The Development Authority shall operate, maintain and improve the Property at its own expense, but subject to funding therefor from whatever source, for fifty (50) years from the date of this Agreement or until the County decides to terminate this arrangement which the County may do at any time after providing the Authority with at least thirty (30) days advance notice, whichever occurs first. The County will procure, maintain, and pay for insurance for the Mega Site for the protection of the County and the Authority. The Authority and County may enter into a separate intergovernmental agreement (the "Additional IGA") to further elaborate the Authority's obligations and set forth the conditions upon which the County will fund and direct the Development Authority's use, development, marketing, and lease, disposition, and/or sale of the Mega Site, wetland permitting assignment, and other requirements as reasonably determined between the County and the Authority. Nothing herein shall be construed to prevent the County, or the County's designee, from utilizing or making improvements to the Property in any manner it sees fit. The Development Authority expressly agrees that it will not enter into any contracts for the lease, use, or transfer of any Development Authority interest, whatsoever, in the Property or any portion thereof, without the prior approval of the majority of the governing body of the County.

The Development Authority warrants that as of December 31, 2019, it was constituted by the members serving the respective terms as set forth in the table depicted in Exhibit "B" to this Agreement. The Parties agree to cooperate and take all actions necessary, including but not limited to adoption (or acceptance) of a joint resolution to restructure the Board of the Development Authority as set forth in the form of Exhibit "C" to this Agreement (the "Joint Resolution"). Upon passage by the City and the County, the Joint Resolution will restructure the Development Authority Board to be comprised of seven (7) members in numbered "seats." Upon the conclusion of the currently serving members terms as designated in the table in Exhibit "B," thereafter, five (5) member seats shall thereafter be appointed by the Board of Commissioners of the County, and two (2) member seats shall thereafter appointed by the Mayor and Council of the City, based on criteria, if any, established by each respective governing body. One additional City representative shall be appointed by the Mayor and Council to serve as a liaison to the Development Authority, but shall not be a voting member of the Authority. Current Development Authority Board members whose term has not expired shall continue to serve their current term as set forth in Exhibit "B"; those members' whose terms have expired who currently occupy Seat 7 and Seat 8 will no longer serve on the Development Authority Board based on the restructuring accomplished through the Joint Resolution, and will be informed by the Authority of the same; noting that the former appointee to seat 8 has resigned. The restructuring of the Development Authority Board: (i) will not truncate or alter any Development Authority Board member's term from the time of his or her appointment, (ii) is consistent with the Act, and (iii) will not deprive any previously appointed member from serving his or her full term; however, upon the respective appointment by the County or City of succeeding Development Authority Board members as set forth in the Joint Resolution, each new appointed Development Authority Board member's term shall be two (2) years beginning January 1st of the year immediately following when the prior Development Authority's Board member's term ended.

As of the date of this Agreement, the County, using its general fund and any other revenues the County deems appropriate, will assume full funding of the Development Authority and responsibility for any and all outstanding indebtedness associated with the Development Authority, including the OneGeorgia Authority Loan. "Full funding" means an amount at least equal to the amount of funding the City and County was funding prior to the most recent decrease in funding by the County, specifically said amount is \$242,770 but such amount of funding is required to be maintained at said level for only the next three fiscal years of the County from the date of this Agreement.

This Article II shall survive the closing of on the Property.

**FORM OF JOINT RESOLUTION**

[attached]

A JOINT RESOLUTION OF THE BOARD OF COMMISSIONERS  
OF BALDWIN COUNTY, GEORGIA AND THE MAYOR AND ALDERMEN OF THE CITY  
OF MILLEDGEVILLE TO PROVIDE FOR THE NUMBER OF DIRECTORS, WHICH  
GOVERNING BODY THEY SHALL BE APPOINTED BY AND THE FUNDING  
RESPONSIBILITIES FOR THE DEVELOPMENT AUTHORITY OF THE CITY OF  
MILLEDGEVILLE AND BALDWIN COUNTY

WHEREAS, by joint resolution, adopted by the Mayor and Aldermen of the City of Milledgeville (the "City") on November 12, 1987, and adopted by the Board of Commissioners of Baldwin County, Georgia (the "County"), on November 19, 1987, there was created and activated, under the Development Authorities Law, particularly, but without limitation O.C.G.A. Sec. 36-62-5.1 thereof (collectively, the "Act"), for the City of Milledgeville and Baldwin County, Georgia, a joint development authority known as "Development Authority of the City of Milledgeville and Baldwin County" (the "Authority"); and

WHEREAS, by joint resolution, adopted by the County on April 11, 1994, and adopted by the City on April 12, 1994, the membership of said Authority was increased from seven (7) directors to nine (9) directors, as provided for in the Act, one of said new directors was to be appointed by the City and the other new director was to be appointed by the County, and the initial term of said new directors would expire on December 31, 1996; and

WHEREAS, by joint resolution, adopted by the County on September 20, 1994, and adopted by the City on September 27, 1994, the April, 1994 joint resolution, above mentioned, was amended to correct an error in the name of said Authority as used therein, and for other purposes; and

WHEREAS, by joint resolution, adopted by the County on January 21, 2014, and adopted by the City on March 25, 2014, staggered terms for the directors were established; and

WHEREAS, the City and the County have participated in Service Delivery Agreement negotiations and as a result of these negotiations, the City and the County have agreed to a change in the structure and operation of the Authority; and

NOW THEREFORE BE IT RESOLVED, that as set forth herein, the County will henceforth assume responsibility for full funding of the financial needs for the Authority from the County general fund and/or any other County fund or revenues it deems appropriate. "Full funding" shall mean an amount at least equal to the amount of funding the City and County were funding the Authority prior to the County discontinuing its operational funding to the Authority, specifically said amount is \$242,770; provided however, such amount of funding shall be provided for only the next three fiscal years of the County from the date of this Agreement. Thereafter, the County may adjust the funding to the Authority as the County deems appropriate in its sole discretion. In addition, the County shall assume full responsibility for the Authority OneGeorgia loan; and

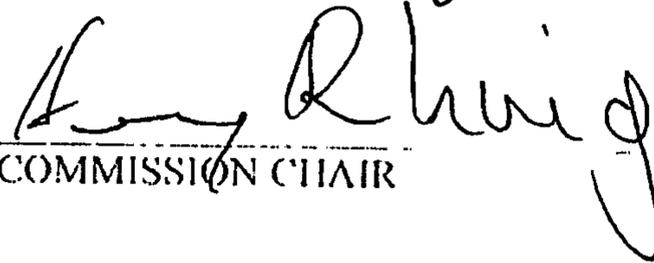

BE IT FURTHER RESOLVED, that the number of voting directors shall be decreased from nine to seven members, with the two Authority members whose terms have expired ceasing to serve as indicated in Exhibit A. There shall henceforth be five voting directors appointed by the County, and two voting directors shall be appointed by the City. There may also be a liaison appointed by the City to attend meetings of the Authority but who shall not be a member or director or have any voting power on the Authority. The membership, seats to be appointed by the County, and by the City, and the current terms and expiration dates of those terms of the Authority members are set forth in Exhibit A as the same have been restructured by this resolution. Upon the expiration of the terms of the Authority members, whose terms have not already expired, as set forth in Exhibit A, all respective successor appointments by the

County and the City to the Authority shall be appointed to two-year terms. The restructuring of the Development Authority Board: (i) does not truncate or alter any Development Authority Board member's term, which has not already expired as indicated in Exhibit A, from the time of his or her appointment. (ii) is consistent with the Act, and (iii) does not deprive any previously appointed member from serving his or her full term, except for those persons whose terms have expired as indicated in Exhibit A. By their respective signatures to the Consent attached hereto as Exhibit B, the members of the Authority do hereby confirm and consent to the terms as set forth herein, including Exhibit A.

BE IT FURTHER RESOLVED, that there shall be furnished immediately to the Secretary of State a certified copy of this Resolution in compliance with the mandate set forth in the Act.
